

Leading Financial Services Operations Into The Future

WE ARE:

- An independent non-profit financial services organization in North America
- Dedicated to solving inefficiencies across the transaction lifecycle
- A member-run association providing opportunities for financial services operations professionals to collaborate on pressing industry topics
- Comprised of **investment managers, custodians, broker/dealers**, and **vendors/utilities**

WE STRIVE TO:

- Engage the collective expertise of our global community of securities operations and technology professionals
- Create a platform to collaborate on key initiatives in financial services operations, including **ESG, crypto and digital assets, data normalization**, and **cybersecurity standardization**
- Develop, publish, and promote market practices and thought leadership
- Drive the financial services industry forward by reducing capital markets risk and increasing operational efficiency

GET INVOLVED:

- Join a **working group** to collaborate with other member firms and produce market practices
- Join a **forum** to connect with other ISITC members to discuss best practices and topics of interest
- Attend our **Fall Forum, Winter Forum** and our **Annual Securities Operations Summit** to stay up to date on the latest trends and bring valuable insights back to your firm
