

## Virtual Sponsorship Options

### Lounge Session Sponsor

- The Lounge feature allows you to create a room or a lounge where you can feature specific topics by adding posts, images, videos and an option to meet people through a live forum. Attendees are also welcome to create discussion posts, add images and videos. A specific time can be dedicated for attendees to join this Lounge and take part in the Live Forum. This time can be displayed on the agenda.
- Sponsors can create their own lounge, name it whatever they would like, and have their logo displayed in the box with the other Lounge information.

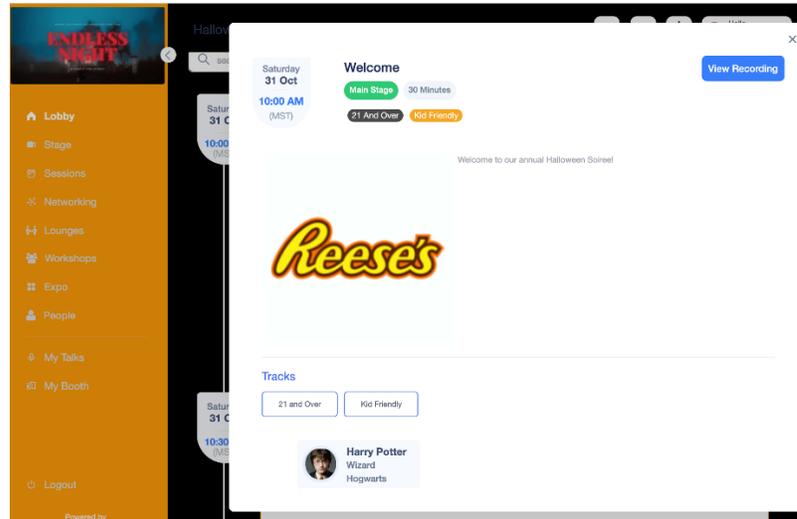

Inside the lounge:

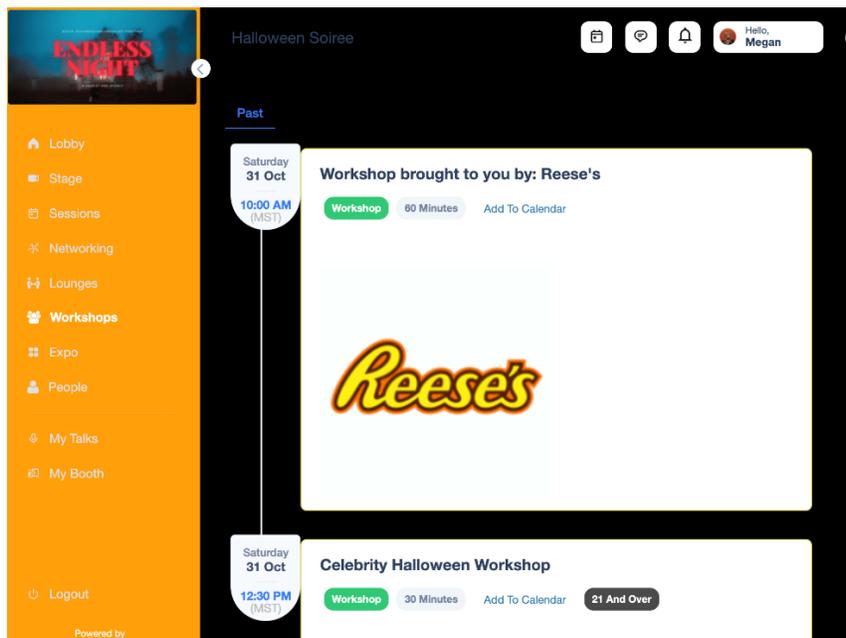

## General Session Sponsor

- The General Session area, which is featured prominently on the main screen of the virtual platform, will be a live stream session such as a Keynote Speaker, Panel discussion or Fireside chat.
- Sponsors will have their logo displayed in the description box once the attendee clicks on the session box.

## Networking Hour Sponsor

- Sponsor one of the two Networking Hours that will take place on Monday, March 29 and Thursday, April 1. The Networking Hour will be a time for attendees to join together virtually to network and get to know one another. One of the networking hours will have multiple “rooms” using the Workshop section of the platform. Each room will have a theme, whether it be something industry related (ESG) or something fun (I love the beach). Attendees will be able to join whichever room they want and chat with a smaller group of people on that specific topic. Ideas for the other networking hour are welcome!
- Sponsors will have their logo displayed in the description box once the attendee clicks on the workshop box.

## Exhibit booth displayed in top tier Exhibit Hall placement

- All exhibit booths will be medium size. You can choose to take advantage of this sponsorship which will allow you to have a large booth space and be at the top tier of the exhibit page listing.
