

Leading Financial Services Operations Into The Future

ISITC, the industry trade group focused on developing standards and best practices in financial services operations.

WE ARE:

- An independent non-profit financial services organization in North America
- Dedicated to solving inefficiencies across the transaction lifecycle
- A member-run association providing opportunities for financial services operations professionals to collaborate on pressing industry topics
- Comprised of **investment managers, custodians, broker/dealers**, and **vendors/utilities**

WE STRIVE TO:

- Engage the collective expertise of our global community of securities operations and technology professionals
- Create a platform to collaborate on key initiatives in financial services operations, including **the new way of working, emerging regulations, digital assets, ESG, and shortening the settlement cycle.**
- Develop, publish, and promote market practices and thought leadership
- Drive the financial services industry forward by reducing capital markets risk and increasing operational efficiency

GET INVOLVED:

- Join a **working group** to collaborate with other member firms and produce market practices
- Join a **forum** to connect with other ISITC members to discuss best practices and topics of interest
- Attend our **Fall Forum, Winter Forum** and our **Annual Securities Operations Summit** and ongoing **webinars** to stay up to date on the latest trends and bring valuable insights back to your firm
